You …

… have successfully completed your studies or vocational training abroad?

… want to work in Germany?

… need support with the recognition of your foreign qualification?

… are seeking an eligible job training scheme?

… have already submitted your application for credential recognition and now have questions regarding the next steps?

… need support getting the recognition of your foreign professional qualification?

We …

… advise you on the recognition process and explain the recognition procedure.

… support you with application submission for credential recognition and throughout the entire recognition process.

… clarify financing options.

… help you find a suitable qualification training.

… advise you via e-mail, phone, digital or in person.

Our Counselling …

… is free of charge, customized and individual.

… takes place in German or English.

Please bring the following documents to your appointment (if available):

… your original credentials and German translations

… your subjects and grades overview

… job references

… proof of further training

… CV/resume

… ID card/passport

You would like to be advised in another language or bring a translator with you?

No problem. Advice is also available in other languages.

Please do not hesitate to contact us.
